VTRID hosts ...

"It's Not Equality, It's **Equity**"

BY DR. JOHN PIRONE

This workshop will provide a lot of interactive discussion on the concept of equality/equity, what the experiences of Deaf college students mean for the profession of ASL/English interpreting, and recommendations for increasing equitable access. In the morning,

Dr. Pirone will share a summary of findings from his doctoral dissertation and introduce/discuss equality/equity. In the afternoon, three main qualities - ASL competency, intercultural competence, and professionalism - will be discussed in the context of equity, followed by recommendations on improving participation equity.
